

ENTRY DOOR REPLACEMENT

Let the Sales Staff of Southern Lumber show you how easy it can be.

LIST OF NEEDED STEPS:

1. Determine if door frame needs replacement (If not use Door Prep Guidelines worksheet).
2. Measure existing door.
3. Select style of door to be used.
4. Determine if new hinges are to be used.
5. Purchase Door.
6. Prep door for opening (Cut door length & width to match existing door).
7. Drill for locks and Rout for hinges.
8. Option: Have Southern Lumber perform Door Prep service for nominal fee.
9. Test Fit door.
10. Make any adjustments as necessary.
11. Prime & Paint or Stain & Finish.
12. Separate Hinge leafs by removing hinge pin from each hinge.
13. Install door member onto Door, and Frame member onto Frame.
14. Install door and replace pins to secure.
15. Install Locks.
16. Clean-up work area.
17. You're done.
