

HOBBY GREENHOUSE

With a Greenhouse made from our lumber you'll begin to see your project grow.

LIST OF NEEDED STEPS:

1. Choose the location, and measure the area. Note any obstructions that will interfere with the structure after it's built.
2. Design Greenhouse, and generate a material list. If you require the cutting services available at Southern Lumber Company, make a detailed list of the pieces you will need cut.
3. Check if your plan will require a building permit.
4. If a concrete slab floor will be used, additional steps will be required.
5. Purchase, and deliver materials to job site, allow for time needed to special order specialty items that you may need.
6. Start by staking out floor plan with Mason line and line level.
7. Level area where the Greenhouse will sit.
8. A good floor can be made by using gravel, bricks, or natural earth.
9. Using standard construction methods, build walls and apply exterior sheathing.
10. Follow the manufacturer's framing and installation instructions for the type of material being used as light panels.
11. Paint or Stain, and the Greenhouse is ready to use.

CHECKLIST OF NEEDED SUPPLIES:

- | | |
|--|--|
| <input type="checkbox"/> Lumber | <input type="checkbox"/> Primer & Paint |
| <input type="checkbox"/> Plywood Sheathing | <input type="checkbox"/> Stain & Finish |
| <input type="checkbox"/> Fiberglass roofing or Shingles | <input type="checkbox"/> Thinner |
| <input type="checkbox"/> Felt paper | <input type="checkbox"/> Stain Cloth / Applicator |
| <input type="checkbox"/> Gravel or Brick | <input type="checkbox"/> Paint Brush |
| <input type="checkbox"/> Vents / Fan | <input type="checkbox"/> Sandpaper |
| <input type="checkbox"/> Fasteners | <input type="checkbox"/> Drop Cloth |
| <input type="checkbox"/> Putty / Filler | |

RECOMMENDED TOOLS:

- | | |
|--|--|
| <input checked="" type="checkbox"/> Hammer | <input checked="" type="checkbox"/> Screwdriver |
| <input checked="" type="checkbox"/> Hand Saw | <input checked="" type="checkbox"/> Tape Measure |
| <input checked="" type="checkbox"/> Drill | <input checked="" type="checkbox"/> Level |
| <input checked="" type="checkbox"/> Drill Bits | <input checked="" type="checkbox"/> Mason Line |
